

# Project Sacramento Events

Designed with versatility in mind, Project Sacramento Events can accommodate community events ranging from large-scale corporate meetings & conferences, to music & art shows, large weddings or even intimate receptions.

The decor is urban loft and the warehouse atmosphere is preserved with high ceilings, exposed ducts, and glazed concrete floors. Our artistic space is suitable for high levels of interaction and our performance area is designed with optimized acoustics.

Located just a five-minute walk from the DOCO of Sacramento in the Old Sacramento Waterfront District. Dozens of local restaurants and hotels are within short walking distance.
